From the Commodore's Desk

As submitted by Matt Morrow

I hope this update finds you all in good spirits, and enjoying all that the summer season has to offer. We are now past the halfway point in the summer season. The Classic and Bay Day have come and gone and before very much longer the Sailing Program will be coming to an end. But along with endings come new beginnings. On August 12 we held an Open Meeting and the nominees for next year's officers were announced. Elections and adult awards will follow on August 26. Until that happens, we still have Coffee and Donuts on Sunday mornings, the bar is still open on the weekends, the Talent Show is always a big hit, and Family and Friends Fridays continue.

Enjoy yourself, but stay safe.

Rear Commodore News

As submitted by Jim Fry

I would like to thank everyone who took time to support and conduct this year's Puddle Duck Sailing Program. As a grandfather of two of the puddle ducks I can personally attest to how fantastic the program was handled and presented. A special thanks to Katie Foote, Gioia Tremitedi and Bernie O'Brien who put the entire program into perspective for all of the young sailors.

As I mentioned in the previous newsletter, the yacht club has installed an ice storage machine under the deck for the use of the club socials and the general membership. The ice bags are priced at 5 lbs. for \$1.50 and 20 lbs. for \$5.00. The combination is 709. For those who were able to take advantage of the ice machine and were not sure how to pay, there is an envelope inside the box where the money can be left. Please fill in the log and remit the cash in the envelope.

Volunteers are still needed to work in the bar for the remaining social events. Please do not hesitate to volunteer and help the yacht club. Within the next month the bar and sail shop will be starting to accept credit cards for merchandise and bar purchases. Hopefully this will facilitate using credit cards for other activities at the yacht club.

The, NOW, legendary Fish and Chips Dinner that was a HUGE success hosted by Jean and Larry McDowell...Bravo!!

Thanks to Harry and Nancy Foote for another amazing year as coordinators of the OGYC Classic Regatta - 281 registered sailors! - Ocean Gate Rocks!

Rosemary and Paul Butow for kicking off the 4th of July weekend with the Red, White & Blue Bar-B-Q. The food was fabulous as usual!!

To Donnalee Snyder for recreating a Victorian Tea Room and hosting an amazing Lunch and Auction. It could not have been done without everyone's generous volunteer hours. A special thank you to: Mary Gashlin, Chris Cleary, Jay Snyder and Joella Nicastro

The Junior Sailors for an amazing job with the meatball and steak sandwich nights. A good time was had by all. And of course the help of all the Junior Sailing parents was very much appreciated!

An additional special thanks to Kari and Randy Nunn for their generous donation of the Break Water Beach tickets for our Junior Sailors' fun day.

Thanks to The Auction Committee consisting of: Terri Nicastro, Donna Ward and myself, Lynda Kennedy. It was an evening filled with over 90 wonderful gifts and gift baskets that were auctioned off. In addition a variety of delicious food was donated by the Muscle Maker Grill, Elaine McAleavey donated a portion of the proceeds from feather hair extensions, and the Juniors showed off their artistic side with face painting....all of which was part of one of the biggest Junior Sailing Fundraisers this summer.

And as always to Frank Scala who graciously continues to offers us Sunday Morning Coffee and Donuts all summer long!

Junior Sailing Program

Submitted by Peter Genakos

The end of the 2011 Junior Sailing Program is fast approaching, but there are a number of remaining opportunities to showcase OGYC's commitment to sailing. We have always experienced excellent turn-out from Up- and Down-Bay clubs, and all members are encouraged to attend for some fun and sun. I suggest you mark your calendars for Friday, August 19, to attend Awards Night as a fitting conclusion to and recognition of this year's Junior Sailing season.

I want to express my appreciation to the instructors, Sailing Committee, and parents for their unfettered support of the sailing program. I want to call out specific accolades to those who worked behind the scenes during the off-season: Katie Foote, Head Instructor, for her perseverance and commitment to making the program an educational and rewarding experience for all our sailors; Kari Nunn, Junior Sailing Coordinator, for her creativity in helping the program evolve in a positive direction; and, Gioia Tremitedi and Helga Paggi for sharing their energy, expertise, and positive attitudes to enable the program to move forward.

Fair winds and following seas,
Peter Genakos, VC

Hard to believe this is our last week of program! What a great group of talented kids we have! Thanks to ALL the parents for choosing to let their kids be a part of OGYC Junior Sailing and for all the help contributed! Thanks again to our instructors teaching our kids a unique skill they will have and enjoy for a lifetime!

OGYC Junior Sailing program was privileged to have eleven puddle ducks with us from ages 5-7 over the last two weeks of program. Not one of these "Ducks" missed a day! They are **all** such great kids! They had lots of fun but also seemed to learn a lot. Every puddle duck learned all the parts of the Opti, how to tie knots, wind direction, and how to sail a boat around a Port Triangle through instruction and reinforcement by way of games and crafts. They were even able to "tack" by the end of the program. They also experienced sailing first hand in the boats of our Junior Sailors as they "crewed" with our Opti A's, B's and some Lasers on more than one occasion. Gioia Tremitedi, Katie Foote and Bernie O'Brien volunteered to teach and keep all our Ducks in a row!! Thank you parents for sharing your great kids/future sailors with us!

Special thanks to...

Rhea Jolly for organizing all of our Lunch and AM Parents:

Donna Ward

Larry/Lynn Armino
