Sailing Scuttlebutt
July 14-20

We're on course again for another busy week, so grab hold and head for the wind!

- ❖ July 14 - 8am all sailors who are participating in the special A-Cat race for the BBYRA hosted by TRYC, must be at the club with a lifejacket to be shuttled over to the boats. Parents are responsible for picking up their child at Toms River Yacht Club after the morning race and lunch with the skipper, approximately noon or thereabouts. Best of luck and have FUN to Phillip Bruce, Kerri & Kaitlin Kavanagh, Melanie & Ryan Silva, Katie O'Brien, Kelly Grey, Maggie Morrow, Charlie Nunn, Joe Mozino, Dylan Froriep and Tyler Nice!
- ❖ July 14 - 6pm Red White and Blue BBQ under the club. Chef Paule'e and his crew have prepared a feast fit for sailors and their families, for reservations call Rosemary @ 269-8899 or Joella @ 995-1006. Always a fun night with terrific food!
- ❖ July 15 - 10:30am registration for Sunday Series, \$5 per sailor includes lunch and a great day on the water right in front of the club! Last week 22 boats sailed. Let's try and make the race committee really work by getting 25 boats out on the water. For Opti C's this is an excellent chance to get familiar with racing. Remember to come for a free continental breakfast, enjoy the races on the new deck, and eat a great lunch for only \$5 per spectator. There are a limited number of Sundays in summer so come out and enjoy them! Don't forget to check out the Sunday Series pictures from week 1 taken by Al Dameika.
- ❖ July 17- Interclub hosted by OGYC. Your child will need to bring a bag lunch with a snack and drink, we will not be providing a lunch as earlier discussed. All Opti Bs, Sunfish A & Bs need to be rigged by 8:30am, Opti A, Laser and 420s need to be rigged by 9 am. Good luck sailors!
- ❖ July 18 - Breakwater Beach, meet at the club at 8am and return at your discretion. More parents are needed for transportation. Entrance tickets were purchased at a substantial discount during the spring and the cost was included in the sailing fees. This way each sailor has a ticket and the savings are passed on to you. Have fun and enjoy the slides! See attached flyer for details!
- ❖ July 18 - Juniors' Meatball Dinner at 6pm. For those spending the day at Breakwater Beach, what could be better? - no cooking!!! Come to the club and support our Juniors!
- ❖ July 19 - Picture Day All sailors will receive their rash guard and have their individual and team photo taken. Look for the order forms to come home either 7/12 or 7/13 so you may choose what packet to purchase.

- ❖ July 20 - Leukemia Cup at Beachwood Yacht Club, registration for this regatta, without penalty, was due 7/6/07. You may still register although it will cost a bit more. Instructor participation will depend on the amount of participation from our fleets. Please let your child's instructor know if he/she will be sailing in this regatta. Sailors must be rigged and ready by **8am!** This is a great race for a great cause!
- ❖ Registration for Lavallette Yacht Club Junior Regatta must be post marked by 7/23/07 in order to participate on 7/30/07.
- ❖ Junior Olympic Mid-Atlantic Sailing Festival will be 7/23 & 7/24, all registrations **must be done via the US Sailing website!** Note, all sailors must check in at Island Heights Yacht Club on Sunday 7/22 between 4pm & 6pm along with their completed medical form and emergency contact form.
- ❖ Lunch Monitors 7/16 – K. Kavanagh
7/17 – Interclub the more help the better!
7/19 – Jonny
7/20 – Tremiditi

Parents serving as Lunch Monitors are here at the club on their own time. They serve as the person in charge during the lunch hour and are responsible for maintaining order and enforcing club rules, which keep your child safe. Each parent deserves proper respect and thanks from all children.

All registrations are on line and available at www.bbyra.org under Jr. Sailing on the calendar. Check this website weekly as all interclub and regatta scores are posted shortly following the events!

Please remember to send your child with a water bottle and sunscreen **everyday!** A hat or visor is also a good idea for children on the water all day.

Opti A & B sailors need to remember to bring their socks and sneakers **everyday!**

All sailors and their families and Juniors and their families baskets for the Duck Race/Auction are due July 26th by 3pm. The Duck Race/Auction is a terrific way to support our sailing program. Please be generous with your baskets and check books on 7/28! Check your email or the attached flyer for further details; we truly appreciate all of your support!
