Dear Commodore Applegate:

On behalf of the Barnegat Bay Yacht Racing Association (BBYRA), thank you to Ocean Gate Yacht Club (OGYC) for hosting a double session of US Sailing's Level 1 Instructor Training on May 28, 2010 through May 31, 2010. Our aspiring instructors greatly appreciated the hospitality and support shown them during the long Memorial Day weekend.

The Instructor Trainers, Steve and Ed, were continuously sharing compliments regarding the support, graciousness and friendliness shown them by the members of OGYC. I especially appreciate the club welcoming Steve and Ed to attend your Commodore's' Barbeque on Sunday night.

The BBYRA and our local US Sailing members are dependent upon the generosity of our member clubs for facilities and support and OGYC is always a willing and gracious host. Thank you for OGYC's continuing support.

Please extend my gratitude to the OGYC membership.

Sincerely,

Susan A. Proko
